

Chandlers Landing Tennis
2018 FALL Doubles Leagues
Rules of Engagement

Each match consists of 3 sets, with partner changes after every set. The maximum number of games that a player may win per set is 6. The maximum points that a player may win per match is 18. The **Coman** tiebreak is played at 5/5. The tiebreak is to 7 points and the tiebreak must be won by at least 2 points

No later than **Monday** evening of each week, matches and court assignments will be posted to the Chandlers Landing Tennis website (www.chandlerstennis.com). If you encounter problems in determining your weekly match assignments, please contact the League coordinator Jim Keton at 214.850.1343. Balls and scorecards should be available in the pro shop no later than 6:50 PM on the date of play. Warm-up begins at 7 PM.

It is each roster player's responsibility to obtain and manage their own substitute. **The sub list with contact information will be sent out each week via text message. No substitutions outside of the sub list may be made without the approval of the League coordinator. An additional 4 point penalty will be assessed for unauthorized substitutions.** One of the reasons this League functions well is that roster players honor the responsibility of managing their substitutions. This includes notifying your subs regarding court assignment and cancellation of League play. Keep the League coordinator in the loop when using a sub and let him know as soon as you can if you are having difficulty obtaining a sub so the coordinator may help you. **There are point consequences regarding the use of subs.** Players are allowed one sub with no penalty. Each subsequent sub results in the deduction of points. Second sub is -2 points, third sub is -4 points and so on.

Report the results of each set and the total games won by player on the score cards. **After each match, take a picture of the score card and send via message to the League coordinator (214.850.1343).** Balls and score cards should be returned to the pro shop. If the pro shop is closed, there is a portal through which the canisters may be dropped.

League standings are determined by total games won. League results and standings will be available **the day after your match** on the Chandlers Landing Tennis website (www.chandlerstennis.com). If you believe weekly results have been recorded incorrectly, confirm as necessary with your match mates and then notify Jim.

Awards will be made for 1st, 2nd and 3rd place finishes - Classic Chandlers Landing Tennis etched beer glasses!
